

World Class Wales EXCLUSIVE GOLF OPPORTUNITY

Many say that more business is done on the golf course than in the boardroom, which is why we felt that our readers would welcome this unique opportunity to play four stunning courses in a land full of beautiful and challenging golf venues. For golfers Wales is a voyage of discovery. With some 200 courses set amidst the most spectacular scenery, from inspirational links to parkland courses in mountain settings, championship courses in the shadow of medieval castles and luxuriously modern golfing resorts, Wales really is a golfer's paradise.

We were spoilt for choice in deciding which courses to make available in this exclusive opportunity and feel sure that you will not be disappointed in either the golf courses or the luxurious accommodation.

South Wales Opportunity

Two nights stay in the luxury of the 5* Hilton Hotel in central Cardiff, where you will find everything on your doorstep. Whether it is fine restaurants, shopping, museums, theatre or just relaxing, Cardiff has everything to offer. From the hotel you will be driven to two of the finest golf courses you will ever play.

Royal Porthcawl

Voted as one of the top 100 courses in the world, you will enjoy views of the sea from every hole, Somerset to the south and north west across Swansea to the Gower Peninsula, Royal Porthcawl is surrounded by stunning scenery. The quality of the course is endorsed by the many amateur and professional events hosted by the club spanning many years; the Walker Cup, the Curtis Cup, the European Team Championship, the Dunlop Masters and more recently, the Ryder Cup Wales Senior Open to name but a few – a lasting memory is guaranteed.

Wales National Course, the Vale Resort

The Wales National is a UK golf course of distinction. Mature woodland, fearsome bunkers, tricky water features and USGA standard greens combine to ensure a challenging round of golf. Add an abundance of wildlife and you will have a memorable golfing experience.

North Wales Opportunity

Two nights accommodation in the luxurious Quay Hotel and Spa. Commanding awesome views of the most magical scenery in North Wales. Within easy reach of Snowdonia National park, the neighbouring medieval town of Conwy and Victorian Llandudno, you will find interesting things to do après golf.

Conwy Golf Club

Set in a spectacular location along the North Wales coast, Conwy is an Open qualifying course and has hosted the Ryder Cup Wales Seniors Open. The European Team Championship has also been hosted at Conwy, all of which are testament to the quality and test of golf the course presents.

Nefyn Golf Club

Appropriately nick-named 'the Pebble Beach of Wales', Nefyn has been voted among the top 100 golf courses in the UK by Golf World. Nefyn used to be described as one of Wales best kept secrets; not any more – visitors from all over the world make their way to this spectacular piece of coastline. JH Taylor and James Braid designed the course, and the former described it as "situated on one of the most beautiful sites I have ever seen."
